ACTE DE NAISSANCE et BAPTÊME
CHURCH BIRTH & BAPTISM RECORD

This is a copy of the **Church Birth and Baptism record** of **Georges Mollot (1706-1769)**, born on April 18, 1706 in Trouan le Grand, Aube, France. He was also baptised in Eglise St. Georges of Trouan le Grand on the same day as his birth. We also learned from this document that his parents were Louis Mollot and Jeanne Milliat. He was baptised with the same given name as his great grandfather. Georges Mollot later married in Sire Beurieux on Nov. 26 in 1742 in Trouan le Grand. Sire was from the neighbouring hamlet of Dosnon. They had 7 children, one of which was Pierre Mollot, our direct ancestor. Georges farmed for his livelihood.

Ici, une copie de l'**Acte de Naissance** et du **Baptême** de **Georges Mollot (1706-1769)**, né le 18 avril, 1706 à Trouan le Grand, Aube, France. Il a été baptisé à l'Eglise St. Georges la même journée que sa naissance. Ce document nous donne aussi les noms de ses parents, Louis Mollot et Jeanne Milliat. Georges était un cultivateur. Georges a été baptisé avec le même prénom que son arrière grand-père. Georges épousa Sire Beurieux le 26 novembre en 1742 à Trouan le Grand. Ils ont eu 7 enfants, l'un étant notre directe ancêtre, Pierre Mollot.
